Society of Photographers takes it as a prized privilege to present its 14th International Colour Salon before you this evening. It is really delightful to see the renowned photographers of the globe who are here with their precise colourful works.

As we keep viewing, an impression shapes in the mind regarding the trend and progress of photography in the world to-day. To be frank it is not always encouraging though it brings surprises from unexpected corners.

In the world of fast movement and communication, nothing remains fresh and original for long. Duplication moves faster and even overtakes a talented artist. Perhaps such ups and downs in standards is the rule of history. Stagnation spells death and makes way for dashing new comers. But for us no such bold arrival as yet.

This year 298 artists of 32 participating countries have sent in as much as 1181 entries out of which 205 have crossed the bar of selection and exhibition.

The judges with all their sincerity and seriousness have tried to be just in their works of judging and have undergone all pains that came in their way. The Society owes infinitely to them.

The Society also conveys its heartfelt thanks to the entrants, donors, advertisers, patrons, the press and the Authority of Howrah Medical Club, Akashbani, Calcutta Dooradashan Kendra, Ghoshal Bagan Sangha and all well wishers known or unknown for their spontaneous valuable service and co-operation and to Sm. Rinku Banerjee for lending her melodious voice as to make the salon a grand success.

Lastly I Thank the guests and the spectators who have kindly graced the occasion with their valuable presence.

GOBINDA CHANDRA CHINA

Bhahli putting payal before the ceremony

Because silver is forever...

Because silver keeps,
silver for her feet.
And for her memories...

It is the same ageless silver that has made photography possible. In Agfa Brovira photopaper, this silver is mixed with various chemicals and is coated by special methods on machines that work night and day, year in and year out. Doubly precious silver that captures precious moments.

Keeping them alive for your children, and theirs...

Silver memories for
golden years—

Insist on Agfa-Gevaert
Photopaper.

1st for everything in photographic

A DREAM CAN BE TRANSLATED INTO REALITY

The housing situation in the State, especially in Calcutta Urban agglomeration, has been extremely critical over the last two decades or more. A large numbers of people have been residing on the pavements and in slums, without any basic amenities.

The Statutory West Bengal Housing Board was set up by the Government of West Bengal primarily to ease this acute housing situation and to mobilise and co-ordinate financial and technical resources available to achieve the task.

Working at full steam the Board has already constructed houses for all income groups of people EWS, LIG, MIG & HIG—on ownership basis with primary emphasis in CMD area.

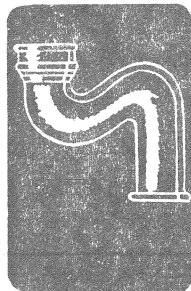

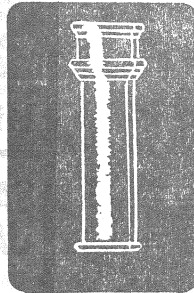

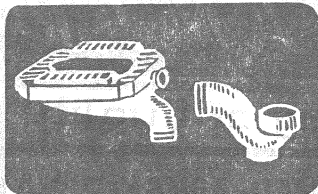

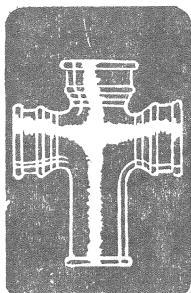

Inadequacy of funds, non-availability of land, scarcity of building materials and sharp excalation of cost of labour and materials prevents the West Bengal Housing Board from undertaking more schemes. The Board has launched a deposit scheme for acceptance of deposits from prospective buyers.

The target of the Board is better housing at reasonable prices for more and more people, so as to improve the living and environmental conditions in general.

বেশী নয়—বছর ত্রিশেক পিছনে
ফিরে তাকালেই দেখা যাবে কোথাও
মাইলের পর মাইল রক্ত মাটি।
কখনো বন্যা, কখনো খরা। বিহার
আর পশ্চিম বাংলার দশটা জেলার
মানুষ অসহায়ভাবে তাকিয়ে
আছে ভগবানের দিকে।

এবেলার মরা দামোদর ওবেলা
ফুলেফেঁপে ভয়ঙ্কর হয়ে উঠে। সব
ভাসিয়ে নিয়ে যায়। কোন দেবতার
কাছে মানত করবে ওরা—ভেবে
পায় না।

ওদের সব ভাবনা কাঁধে তুলে নিয়ে
এগিয়ে এলো কোনো দেবতা নয়—
অনেকগুলো মানুষ। মানুষেরই গড়া
দামোদর ডালী কর্পোরেশন।

বাঁধের বাঁধনে বন্যা হল বন্দী। তাপ
বিদ্যুৎ আর জল বিদ্যুৎ কেন্দ্রের
বিদ্যুৎ পৌঁছলো কাছে দূরের
কলকারখানায় গ্রামে গঞ্জে। চাষীর
মুখে হাসি। শ্রমিকের বকে আশা।
পুরো উপত্যকার চেহারা গেল
বদলে, চরিত্র হল অন্যরকম।

মানুষ নিজের উপর বিশ্বাস ফিরে পেল।

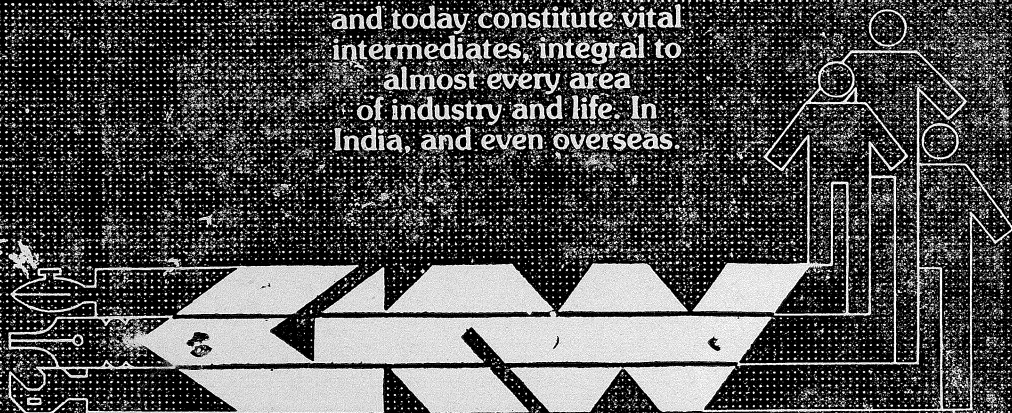

আজ বিশ্বাসের অন্য নাম

দামোদর ডালী কর্পোরেশন

Blending products,
processes and technology
with people;
their needs; and the
environment: at GKW
these are the priorities that
define our purpose.

Our range of
products have evolved out
of these needs,
and today constitute vital
intermediates, integral to
almost every area
of industry and life. In
India, and even overseas.
