Once again, Society of Photographers takes the proud privilege of presenting before you the Seventeenth International Colour Salon.

Surprising enough—that we have received as much as 893 entries from 224 Artists of 32 participating countries, obviously a poor figure in comparison with the no. of entries received in previous years. Pending revelation of the facts the reason might either be attributed to a sense of fatigue among the participants or disruption in the mail service.

However, a careful look to the show would reveal with pity that spontaneity of creation is fading out in the hands of some eminent artists and originality takes a smutty look in the hands of some other while there are others who just try a little variation either of their own work or work of others to present their ignominious work. Even then there are show of pleasing and outstanding works of some thoughtful artists and new venture by a few.

The laurel for P. S. A. gold this year goes to Mr. Maffei Renato of Italy for his master mind creation Eur No. 5 and Mr. Menechitti Oreste also of Italy has been honoured with supremacy in the contemporary section for his peerless slide Magic Flute while Mr. Marte Manfred of Austria has the distinction to be the recipient of F. I. A. P. gold for his slide Hute 1.

The honour of best Indian Entrant goes to Sri Anup Paul this year. The judges Sri Benu Sen mfiap, frps and Sri T. K. Dutta, arps, afiap took every pain to discharge their duties in the strictest sense of the term and gave away their verdict befitting the situation.

The Society expresses its gratitude and is indebted to one and all who extended their hands of co-operation to make the salon a grand success.
