c|o|u|r|t|e|s|y

As the nature decorates itself with its various beautiful colours during the spring, the members of Society of Photographers take this opportunity to welcome you all at this colourful opening function of our 18th Howrah Colour Salon.

Here you will see beauty recreated by artist's view. Nature and her creatures are in so many moods and actions. Things are so different on surface about the world yet so much the same. This unity of existence is expressed through rich colour transparency. Sometimes you will see beauty photographed after the rules of classical art, the elementary emotions of creatures, at other times you will see no image of familiar shape ordered into definite block of hues, but splashes of fine pastel shades. Here you search for the soul's private beauty emerging in abstract fantasy.

The two PSA Gold Medals went to two outstanding pictures one a candid shot and the other a contemporary picture. The first, Uber Die Wanne of Mr Ernst Mathe, captures the fleeting moment beautifully. The contemporary picture, Brutei 85 of Horst Ingedult, is symbolic of the contemporary world. Mr. Friedrich Feleish is another proud winner of FIAP Gold with his unique creation.

While I congratulate all the successful entrants to our salon I take this opportunity to express our heartfelt gratitude to our judges Sri Benu Sen, mfiap, frps and Sri T.K. Dutta, arps. afiap for the difficult task they have so lovingly discharged.

To hold an international salon of such fame without the heartfelt sense of cooperation and service from many is rather impossible. The Society conveys its thanks to the donors, advertisers, patrons and authorities of Howrah Medical Club, the Newspapers, Akashvani, Calcutta Dooradarshan Kendra and others for their counsel and sincere cooperation.

In conclusion, I thank the Salon Committee and general members whose endeavours and efforts have shaped the salon a great success.

The 15th February, 1986

SUNIL HAZRA
President

“শ্রেণী সংঘাতের ভিত্তিতে প্রতিষ্ঠিত বর্তমান সমাজ ব্যবস্থা পরিবর্তনের অন্যতম একটি শক্তিরূপে আমরা সমবায় আন্দোলনকে স্বীকার করি। এই আন্দোলনের মস্ত বড় কৃতিত্ব হ’ল এই যে, এই আন্দোলন তার কাজের মধ্য দিয়ে দেখিয়ে দিচ্ছে যে পুঁজির নিকট শ্রমিককে মাথা নত করে রাখার বর্তমান অত্যাচারী, ধ্বংসকারী ব্যবস্থাকে সমক্ষমতা সম্পন্ন উৎপাদকের স্বাধীন সত্তাকে কেন্দ্র করে গড়ে ওঠা একটি প্রজাতান্ত্রিক ও সুবিধা প্রদানকারী ব্যবস্থা দ্বারা পালটে দেওয়া সম্ভব।”

কাল মার্কসের এই আদর্শে অনুপ্রাণিত
