To be at twenty is to feel the thrill of youth in every limb but we lack that spurt of conquest—especially on this 20th year of our salon. Some internal limitations come to impede.

Number of entries which ought to have been greater has fallen this year and such flactuations occur for many reasons. But there has been no laxity in selecting the best 193 slides out of the total of 926. Among the countries Austria dominate the salon this year and the judges Sree Benu Sen frps, mfiap, esfiap, fnpas, Sree Susanta Banerjee frps, afiap and Sree Sunil Hazra have taken the keenest pleasure and pains in selecting the slides. There are some remarkable photographs holding up the trendiest set of art. Despite impediments we have done everything to keep the standard of excellence for which we have received two P. S. A. gold medals this year too.

To have brought this salon to its success we have received co-operations from the authorities of Howrah Medical Club, Akash Vani, Doordarshan and the metropolitan press. We thank them all. We specially thank Sm. Nobina Roy for lending voice to the running commentary and members who worked the hardest for prestige of our society.

The 13th February 1988

KALYAN GHOSAL President.
