The Society of Photographers had stepped into 27th year of its performing International Colour Salon. On this occasion, all the members of the society take the opportunity of recording their sincere thanks to all the participants which has helped the salons' success.

The human life is passing through continuous changes with its socio-economic as well as ecological circumstances. But still then, the creativity is still persisting despite all the odds and new creations are covering up with all its values, realisation and imaginations. This is the main reason why life is still meaningful.

In this years' Salon there has been 1033 entries from 25 countries with their splendid creation. It is not just sufficient that we expected our ardent desire is to have more and more entries if not from all the countries of the world.

Some have been judged for award and some have not. The receipt of the award, we feel, is not the only criterion; what is most important factor is the participation, the exchange of ideas, and the display of creative thought. Congratulations to them who have won and best wishes for all of the remaining for the success in future.

Alike every year, the eminent personalities in the field of photography Mr. Benu Sen, Mr. T. K. Dutta, Mr. Adit Agarwal have extended their kind co-operation in judging by sparing their valuable time and energy. We are extremely grateful to them. We also record our thanks to them who have directly and indirectly helped as in making our efforts successful. We would also like to thank Mrs Pratiti Das for lending her melodious voice in narrating the slides. We also express our sincerest thanks to Mr. C. Rajagopal, Mr. Wade Clutton, Mr. Luies E Flack, Mrs. Masilyn Cloran and Mr. Pradipto Mukherjee for their kind help.

As we are becoming more and more grown up and experienced day by day, year by year, we are hopeful of appearing before you next year with more excellence and Grandeur. Till such time, all the best.

We deeply mourn the untimely demise of our beloved Jatin Roy and Debiprasad Basuchowdhury.

We have no words to console the members of their family. May their soul rest in peace.

Howrah
