COURTESY

*Society of Photographers, Howrah, a notable Organisation in the field of creative photography through the Camera Lens, heartily welcome all the photo lovers on its inaugural ceremony of **29th Howrah Colour Salon**. It is the curtain-riser of the untiring efforts by the members of the Society over the year and the participation of the entrants throughout the world.*

It is nearly three decades now the society is organising this Colour Salon every year successfully and efficiently. It has only been possible because of the active participation of a sizable number of entrants with their superb quality creations and the society has been continuously endeavouring their utmost by judicious and patient judgement by a panel of experienced and prudent Judges to the meritorious and creative photographers with Medals, Plaques, Certificates and Cash Awards for encouraging the entrants. But it has been observed with great concern that the number of entrants and the quality of the exhibits are coming down alarmingly. While it is our firm belief that there cannot be any dearth of creative mind in this field through the world, this needs to be probed into deeply as to why the number and quality of entries are deteriorating and to ensure more entries in the coming years.

We would like to record our sincere gratitude to the prudent panel of Judges for volunteering their valuable time and patience in carrying out the most important and tough task of judging the entries. We are thankful to the officials of FIAP, PSA & FIP for their kind assistance & guidance. We are also thankful to Sm. Pratiti Das for lending her melodious golden voice in narrating the texts of the slides selected for projection. We are also obliged to the Advertisers and Sponsors for extending their financial support to the society, which is also a prime factor in organising such activities.

Finally, we are highly proud and jubilant to inform that Shri Benu Sen, a legendary name in the Indian Pictorial Photography, an honorary member of our society and who has all along been closely associated with us over the years, has become the Secretary General of The Federation of India Photography. We are delighted to congratulate him for this prestigious landmark he has achieved and wish him further high-up in days to come.

With a hope for a colourful salon next year, we remain.
