COURTESY

It is again a great pleasure for the Society of Photographers to host the 33rd Salon and enter the Millennium with another successful International Exhibition, 33 years in a row.

It is always a pleasure for a photographer and the photolovers to see the wonderful creations of others as many as possible. This becomes possible because of untiring effort of both of them. One creates or tries to create another appreciates or rejects. In this process our efforts are on to present the best through this exhibition.

This year there have been decline in the participation from abroad in terms of number of participants due to long postal strike in India. Though there has been considerable upward trend in the Quality of Photographs presented. We hope there will be increase in quantity also in future. We are also pleased that we have been able to open our website for better understanding and cope up with modern trend in information technology.

We would like to record our sincere gratitude and thanks to our Judges Mr. Benu Sen, Mr. Adit Agarwal, Mr. Dilip Sett, Mr. Sunil Hazra for volunteering their valuable time and energy in carrying out the tough task of judging the entire. Mr. H. Satish could not come for judging due to personal exigencies.

We are thankful to the Officials of FIAP, PSA & FIP namely Mr. Willy A Suys, Mr. Wade W Clutton, Ms. Linda Stair and Mr. Benu Sen for their continued support.

We are also thankful to Mrs. Pratiti Das for her golden voice during projection and the authorities of Howrah Medical Club, the Press and our members for their continued co-operation in making the Salon a success.

With a hope for more colourful Salons in the year 2002.
