COURTESY

It is again a proud privilege for Society of Photographers to host this Howrah Colour Salon 2005 for 37 years in a row. Although there are many obstacles for organising such an international event by a society like ours, still we are confident to continue this colour slide Salon as long as we exist.

As we all know that the fate of conventional photographic films and materials are becoming uncertain with the growing development of digital technology. May be, we have to convert our Salon in other medium like prints. That option is already in our mind and will be decided in the appropriate situation.

While we thank our fellow photographers for their participation & continued support we request them for their suggestions & criticism also if any to enable us to move in the right direction. We are grateful to Shri Gopal Mukherjee Hon'Mayor of Howrah Municipal Corporation for opening the Salon & other helps. We are indebted to our National Federation, The Federation of Indian Photography, Federation International De L'art Photographique, The Photographic Society of America for their support and guidance.

We thank our Judges for their performing the most difficult task of selecting and awarding the entries.

We also thank the print & electronic media specially Ananda Bazar Patrika and The Hindustan Times for their support.

We also thank our advertisers and members and at last but not the least Mrs. Pratiti Das for lending her voice during projection.
