COURTESY

It is again a proud moment for us to organise our **Howrah Colour Salon 2006**, for the 38th Year in a row with distinction. Although it was not an easy task for a Society like ours and in the city which has been known for its industrial activities. People in some part of this city wakes up with the sound of a motor or hydraulic press. Yet they are photo lovers, they do have feeling for art and culture. That is why we have been able to carry on the task bestowed on us.

As all of us know that a lot of changes are taking place in the field of Photography due to digital technology and the Conventional photographic materials are becoming scarce. We are therefore not sure about the future of this type of slide projection. May be, we have to convert our salon to other sections like prints etc.

While we are thankful to the fellow photographers for their continued support we welcome their suggestions also if any for our improvement and guidance.

We are indebted to the Federation of Indian Photography, Federation International de l'art Photographique, Photographic Society of America for their continued support.

We thank our Judges for their performing most difficult task of selections.

We thank print and Electronic Media Specially Aakash Bangla, The Telegraph, Ananda Bazar Patrika, Hindustan Times etc and Ms. A. Aruna for her golden voice during projection.

At last and not least we thank our members for their untiring performance by which we wish to come back again in 2007.
