COURTESY

We are happy that continuity, consistency and success has become synonymous with HOWRAH COLOUR SALON.

We hope to keep it up for many more years.

Although it has been a success story for us for which we are proud of similarly we are concerned about the declining trend in analogue photography and colour slides as well.

We have therefore decided to include Digital files (Projected Image) also from the year 2008 along with colour slides.

Hope our photographic fraternity will co-operate with us as they have been doing for so many years.

We are also thankful to our Judges, The Federation International de l'art Photographique, Photographic Society of America and Federation of Indian Photography for their continued support to us.

We are thankful to Shri Narendra Nath Dutta, ADM (Legal), Howrah and Shri Benu Sen for their kind presence in the opening session.

We thank our members for their untiring efforts to make the salon a success.
