COURTESY

We are glad that we have been able to organise our Howrah Colour Salon 2010 for the 42nd time in a row.

Those who are associated with such kind of exhibitions may be well aware that how difficult is the task to continue such an event for a long time. Support of our participating photographer's and their clubs play a major role in our success and we owe to them for their overwhelming support, co-operation and participation. We hope we will be able to continue with their support in future also.

We are glad that the overall quality of works have improved a lot since the introduction of Digital Technology in so far as Pictorial Photography is concerned. In other cases like Nature Photography threats are there like cutting pasting or cloning of images which are being applied though not permitted and unethical.

We are excited that in the year 2013 our society will attain the land mark of 50 years. We wish to celebrate and share our joys with all the photographic fraternity and also with our members and well wishes as and when the moment comes.

We are indebted to Shri Benu Sen, Secretary General, FIP, Mr. Willy Suys, FIAP Patronage, service Mr. Wade W. Clutton & Mr. Samuel G. Shaw, PSA for their continued support to us.

We are grateful to our Judges for their doing the difficult job of selections. Specially to Dr. B.K. Sinha who had come all the way from PATNA for Judging despite being a busy surgeon.

We shall fail in our duty if we do not acknowledge the service of Miss A. Aruna narrating with her golden voice during projection.

At last not least we thank our members for their dedicated service and support without which it was not possible to run the show.
