COURTESY

We are glad that we have been able to continue and completed the salon for long 45th year in a row. The judging dates and exhibition opening date being last Saturday/Sunday of January and last Saturday of February respectively have mostly been maintained for all these years. To achieve and maintain this we have received tremendous co-operation from the Photographic fraternity from our country and abroad.

Our beloved Benuda (Late Benu Sen.) was source of inspiration and motivation to us. He was our friend philosopher and guide. We are saddened with his passing away. We believe he is blessing us from heavenly abode. May his departed soul rest in peace.

Way back in 1968 our founders started this salon with colour slides. To cope up with the present trend and technology we have converted it to Digital salon with on line submission. While we are amazed with the tremendous improvement in the quality of work of Photo Artists all over the world we are sorry to notice that some incidents of plagiarisms are taking place. We strongly condemn this illegal and unethical act of plagiarism in all the forms. We also call upon our National and International parent bodies to be more stringent and vigilant in the matter.

We are indebted to FIAP, PSA and FIP for continued support and co-operation received for all these years without which we could not have succeeded so long.

Our society will complete 50 years of existence and service for the cause of Photography in the year 2014. We call upon every individual and organisations to co operate and join us in celebrating the event.

Before conclusion we express our thanks to our members for their untiring effort without which we could not have achieved this success.

Howrah
