## COURTESY

Society of Photographers, Howrah has great pleasure in presenting before you its consecutive 48th year of Howrah Color Salon. Society of photographers, Howrah, 48th International marks a significant milestone in the long and illustrious history of the Society. The society continues to provide training and education facilities to photographic enthusiasts, conducting classes, workshops, field trips as well as conduct regular meetings at the society premises.

SOP, Howrah 48th Color Salon Exhibition showcases some of the best images from around the world, while more than images are being displayed digitally in four sections as the Salon stands tall as one of the longest running exhibitions in the world, gaining acceptance in an ever increasing community of photographers. The exhibition takes places under the auspices of the Federation of International de l Art Photographic Arts, RPS and Federation of Indian Photography. We are most grateful to FIAP, RPS and FIP for granting recognition in favour of us. Total 284 authors from different countries all over world have sent their works. I express my heartiest thanks to all photographers observing their faithful dedication to this artistic work against serious odds. Evaluating all the entries on two days was difficult task but in spite of the odds at last we viewed the best images. We are very much thankful to the Jury Members spending their valuable time for judgement and their invaluable service. Conducting an International Salon could not be possible without dedicated service of the Members. We extend our sincere thanks to all member for their valuable co-operation.

We are looking forward to see your best images in our 49th edition next year 2017.

Apurba Kumar Das, EFIAP
