GLOBAL PHOTOGRAPHIC UNION – GPU (former UPI)

Is a worldwide interactive organization for anyone interested in photography, be they casual, amateurs or professional photographers.

Founded in Gairle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, photo festivals, distinctions, titles, and a raft of other activities.

Message For Salon Chairman

It is a proud moment for us to organise Howrah Colour salon 2026 for the 57th time in a row. We are also proud being 2nd oldest Salon in our country and probably 14th oldest Salon in the world. This voluntary society was set up in the year 1964 by a handful of young enthusiasts' with goal to promote Photography in the city, country if not in the world. It was not an easy job especially in an industrial city where people awoke listening sound of hydraulic press or other industrial devices.

Before conclusion we thank FIAP, GPU and FIP for continued support and co operation. We thank all the participants for their support and participation. We are indebted to our honourable Jury members namely Dr.B.K.Sinha , Shri Santosh Jana , Shri Abhijit Dey , Mr. Abhishek Basak , Mr. Amitabha Sil , Mr. Debabrata Sarkar, Mr. Sudip Roychowdhury , for their continued support and untiring service. We are thankful to our well wisher at last but not the least our sincere thanks to our members for their service and co operation without which we could not perform our activities.

Hope we will come back to you again in 2027 with our 58th edition.

Mr. Pulak Ranjan Khan
